## Healthix Enhanced Portal 3.0 Patient Record Highlights

1. The left hand column has Summary and Summary Reports as the first menu items for easy reference.
2. Summary function and features remain the same. Only the location is new.
3. Menu items beginning under Summary Reports are now in alphabetical order for easy navigation.
4. The blue bar to the left of the data element indicates available data for patient.
5. Clinical Summary has two additions, documents and labs, for a total of six data element categories.

The screenshot displays the Healthix Portal interface for a patient named Robert Cohane. The interface is divided into several sections, with a left-hand navigation menu and a main content area. The navigation menu includes items like SUMMARY, SUMMARY REPORTS, ADV DIRECTIVES, ALLERGIES, CAREPLAN, DEMOGRAPHICS, DIAGNOSES, DOCUMENTS, ENCOUNTERS, HISTORIES, and ISTOP. The main content area shows patient information, encounters, diagnoses, medications, lab results, and documents. A blue bar highlights the available data for the patient.

## Healthix Enhanced Portal 3.0 Highlights

7. Social Determinants of Health (SDoH) Data is now available and centrally located on the left portal navigation (in alphabetical order).

Click to see the SDoH data on your members, patients, and clients.

SDoH plays a significant role in overall health, and now you have easy access to the data within the Healthix Portal.

The screenshot shows the Healthix portal interface. On the left, a navigation menu lists various data categories, with 'SDOH' highlighted. The main content area displays the 'Social Needs Referral History' section. It includes a 'Referrals' tab with the message 'No known HRSN referrals' and a 'History' table with the following data:

Referrals	History	Description
	02/02/2022	Insufficient social insurance an...
	09-30-2021	Description: Education - No Re...

A 'SEE ALL' button is located at the bottom right of the table.
